SCHOOL OF HEALTH SCIENCES

CERTIFICATE IN COMMUNITY HEALTH

The School's Vision

To be a world class academic and professional centre of excellence in the provision of practical and research -based Health Sciences training.

The School's Mission

To train competent Health Professionals who will approach health issues with a holistic perspective and critically analyze problems with a view of integrating theory and practice in the assessment and provision of diagnostic, curative, preventive and promotive health care services so as to meet the dynamic health needs of the community.

Please Visit our website at: www.gretsauniversity.ac.ke

Revised: April, 2023

OVERALL GOAL OF THE PROGRAMME

To develop World Class community Health Professionals who will meet the ever dynamic health needs of the community by approaching health issues with a holistic perspective and critically analyzing problems with a view to integrate theory and practice in the assessment and provision of preventive and promotive health care services.

CORE PROGRAMME LEARNING OUTCOMES

Upon Completion of the course graduates should be able to:

- •Organize and participate in community health programmes
- •Plan and implement training and educational programmes at the community level
- •Identify and advice appropriately on how to deal with common community health problems
- •Enhance capacities of the community through community mobilization ,participatory leadership and community empowerment

ADMISSION REQUIREMENTS

- 1. KCSE Mean Grade of D (Plain)
- A Foundation or artisan Certificate in Community Health or any other Health Related course from Gretsa University or any other recognized institution.

REQUIRED RESOURCES

The leaner will also be required to buy the following equipment:

- •Laboratory Coat (White)
- •White Gumboots and White Cap/Hat
- •Closed Low Heeled Shoes
- •Scientific Calculator

GRADING OF COURSES

The Course will be graded as follows

COURSE REGISTRATION REQUIREMENTS

The student will not be allowed to register for new courses offered in every semester unless they have passed the relevant pre –requisite courses offered the previous semester as indicated under the program structure..

Overall Average Mark	Grade
75% and Above	A
65% to Below 75%	В
50% to Below 65%	С
Below 50%	F

PROGRAMME DURATION

The duration of the programme will be 5 semesters (4 semesters' course work and one semester Field attachment).

CAREER PROSPECTS

Professionals in the field combine research and education to serve populations and their work may involve creating ways to eliminate health disparities, improve access to health care and foster public health policies that encourage healthy habits. The jobs available at health departments range from Food, Water, Occupational Health and Safety Inspectors to Health Educators. These job opportunities can be found in governmental departments and Nongovernmental Organizations that focuses on specific health issues.
